*Water and Drainage Exhibition*

## Sponsorship and Exhibition Packages

**22<sup>nd</sup> September 2010 – Donnington Park**

WADE is a new all day UK exhibition and trade fair showcasing innovation and new technologies in the Water and Drainage industries.

Exhibitors will include innovation and technology specialists and service providers demonstrating the latest developments allowing both suppliers and buyers to discuss their requirements and future projects.

Key-players, buyers and water industry bodies will hold presentations on various topical issues including their procurement requirements, giving attendees a real insight into current and future trends.

Meet new contacts, buyers and suppliers that will help your business grow.

The event programme for the day will include:

- An all day inside/outside event, showcasing over 40 different organisations
- Presentations from key-buyers
- Innovation hub – exhibitors giving 10 minute presentations on latest developments
- Chance to meet new contacts and network through the day

The event is being organised in partnership with UK Pipelines and Event Management specialists Square 5 Ltd.
